

We have testing grounds in Belgium, Denmark, Germany, Poland, Portugal & The Netherlands.

SoilValues is a 4-year Horizon project with a consortium of 14 partners

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them. Grant Agreement: 101091308

Holistic
framework

7 testing
grounds

12
communities
of practice

Raising
awareness

A toolbox of
incentives

SoilValues will contribute to the development of successful **soil health business models** across the **EU** to improve soil quality and provide **land managers** with the necessary **incentives**.
